

Mikelle Humble

Research and Development Associate

Mikelle Humble joined the Jim Joseph Foundation in September 2022 as a Research and Development Associate. In this role, Mikelle works closely with the Chief R&D Officer, supporting the Foundation's R&D strategy to experiment and explore within Jewish education and expression and to evolve for the future of Jewish life.

Before joining the Foundation, Mikelle supported the activation and success of clinical research trials and advanced public health efforts through the Louisiana State Office of Public Health.

Mikelle is a graduate of Louisiana State University, where she studied History and Political Science. She has a passion for streamlining administrative systems and creative problem solving, loves podcasts and plants, and spends much of her free time exploring New Orleans with her French Bulldog, Bianca.
